

How to View Patients Upcoming Appointments

EpicCare Link User

EpicCare Link allows providers and their staff to view and share with their patients upcoming scheduled appointments at HSHS, such as lab, radiology and other appointments.

Using the Scheduling Activity to View Appointments

1. On the Home page, Click on the **Schedule an appointment**

Hospital Sisters HEALTH SYSTEM

EpicCare Link

I want to...

- Select a patient
- Create a referral
- Place an order
- Schedule an appointment**

2. Select **Upcoming Appts. -My Patients** : to View Upcoming/Canceled/Reschedule 30days
